INTERNATIONAL BEHAVIOURAL  
AND NEURAL GENETICS SOCIETY

The International Behavioural and Neural Genetics Society (IBANGS), was founded in 1996 to promote the field of neurobehavioural genetics. The annual IBANGS meeting provides an excellent opportunity for those involved in research in the fields of behavioural genetics and neurogenetics to present their latest findings, to learn about new research developments, and to interact with fellow researchers on various aspects of behavioural genetics across humans and diverse model organisms.

## ANNUAL MEETING

The **19th Annual IBANGS Meeting** will be held in **Rochester, Minnesota USA**  
**May 17-21, 2018**

## MEETING & MEMBERSHIP INFORMATION

### *Important deadlines...*

- **November 30, 2017:** Symposia Proposals Due (<http://www.ibangs.com/meetings>)
- **February 15, 2018:** Deadline for Travel Award Applications, Oral/Poster Abstracts, & Early Registration
- **May 1, 2018:** Late Breaking Abstracts for Poster Presentation Deadline

### *Why join?*

- Subscription to the Society's premier journal: *Genes Brain and Behavior* (G2B) and reduced page charges for papers published in G2B.
- Reduced registration costs for IBANGS annual conferences.
- Full membership in the Federation of European Neuroscience Societies (FENS).
- Free complimentary subscription to the online version of the FENS journal, *The European Journal of Neuroscience*, and reduced cost subscription to the print version.

### *Membership rates (for 2018, Jan. 1- Dec. 31)*

- **\$135** regular membership with online G2B access
- **\$45** student membership (undergraduate, graduate or postdoc) with online G2B access
