The papers should be written in English and should be submitted to the Chairman of the Jury, Professor Dr. Rainer Rupprecht, only by e-mail to Rainer.Rupprecht@medbo.de. Please add a CV and a summary of achievements in the field; hitherto unpublished studies or papers published in an international professional journal within the past two years may also be submitted. **Deadline for submission to the Committee is 31 August 2016.**

To help the Committee to come to a speedy decision, it is requested that a maximum of three publications as well as a summarising report (approx. 600 words) of the studies submitted for the competition should be included. A decision concerning the awardees will be made by the end of November 2016. If, in the opinion of the Committee, no papers of sufficient merit are submitted, it reserves the right to present no award. Qualified individuals are invited to submit applications. In addition, the nomination of candidates by others is encouraged. In case of groups the specific contribution of each individual should be clearly stated.
