

Early Career Physician/Scientist & Imaging Researcher

The [PediMIND](#) program of Bradley Hospital (affiliated with Brown University) is seeking a U.S. licensed early career physician & neuroimaging researcher to join our group. This opportunity has substantial protected time for research, access to extant data, and mentorship.

U.S. licensed physicians with training in child psychiatry, general psychiatry, or pediatrics (and combinations of these) should send their CVs to Daniel_Dickstein@Brown.edu
