

BRIGHAM AND  
WOMEN'S HOSPITAL

HARVARD MEDICAL SCHOOL  
TEACHING HOSPITAL

## Research Scientist

BRIGHAM AND WOMEN'S HOSPITAL

The Department of Psychiatry at Brigham and Women's Hospital is an academic and teaching hospital and affiliate of Harvard Medical School. The Department is seeking one or more researchers with expertise in the fields of human behavioral research, translational research, and/or clinical investigation. Candidates should be psychiatrists or have a doctoral degree in psychology, and must have a demonstrated record of significant research and scholarly productivity. The ideal candidate should also have some clinical expertise and be a talented and experienced teacher and mentor.

Academic rank at Harvard Medical School will be commensurate with training, experience, and achievements.

**If interested, please send CV to: Hadine Joffe, MD, MSc, Vice Chair for Psychiatry Research, Department of Psychiatry, Brigham and Women's Hospital, 75 Francis St., Boston, MA 02115; [hjoffe@partners.org](mailto:hjoffe@partners.org)**

*We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability status, protected veteran status, or any other characteristic protected by law.*
