

V. Sagar Sethi, M.D.

MENTAL HEALTH RESEARCH AWARD

call for nominations: The Psychiatric Foundation of North Carolina is seeking nominations for the V. Sagar Sethi, M.D. Mental Health Research Award. Candidates may not self-nominate. **Submission deadline is January 15, 2019.**

nomination criteria: The award seeks to honor a scientist for significant contributions to basic research in the neurosciences, psychology, or pharmacology at a molecular, cellular or behavioral level. Criteria include:

- Significant contribution to basic research;
- Research has had a significant impact or is highly likely to have significant impact on clinical psychiatric care;
- Candidate is a physician or a Ph.D. researcher conducting active research in the United States

the award: The award recipient will receive \$5,000 and travel support to present a lecture during the NC Psychiatric Association's 2019 Annual Meeting & Scientific Session, September 19-22, 2019 in Myrtle Beach, SC.

submit nominations: *Nominations should be submitted by January 15, 2019.* A one page nomination letter and the nominee's CV should be sent via mail, fax, or email:
