UTHealth | McGovern Medical School
The University of Texas Health Science Center at Houston

Louis A. Faillace, Department of Psychiatry & Behavioral Health Sciences

NEW Endowed Chair Opportunities

The Department of Psychiatry and Behavioral Sciences of the McGovern Medical School at The University of Texas Health Science Center Houston has an extraordinary opportunity for a **senior scientist with a funded multidisciplinary program of clinical care research who are at the rank of an Associate or Full Professor.** The successful candidate will be an established thought leader in their respective discipline with a **substantial scientific portfolio (including current NIH funding that can be transferred)** and has demonstrated program building capabilities and interest necessary to lead the expansion of departmental research programs. The candidate's research focus can span any area relevant to advancing scientific knowledge about psychiatry and mental health, including but not limited to neurodevelopment, genomics, neurogenesis, digital technologies and their application in addressing clinically important questions, including but not limited to autism, clinical effectiveness, depression, brain imaging, cognitive neurosciences, psychosis and suicide.

The incumbent is expected to be a recognized academic leader who will promote intellectual and ethical leadership in clinical research to advance the science through translation science or quality improvement and outcome driven clinical competencies and practices. **This position will be endowed annually to support the holder's research.** This is an exempt, full-time position. Salary is commensurate with experience, and includes an excellent benefits package including medical/dental/vision/life/LTD insurance and retirement plan.

For more information about these unique academically-driven positions or to apply for them, please write to Jair C. Soares, M.D., Professor and Chair, and include a copy of your curriculum vitae and a letter of interest to 1941 East Road, Houston, Texas 77054, e-mail: Jair.C.Soares@uth.tmc.edu; phone: 713-486-2507; fax 713-486-2553. Interested candidates must apply via the UTHealth Career Webpage at https://www.uth.edu/hr/uthealth-careers.
