

## PSYCHIATRIST

### Department of Psychiatry and Behavioral Neuroscience, University of Cincinnati College of Medicine

Founded in 1819, the University of Cincinnati embarks upon its third century – building on the past and defining the future by leading urban, public universities into a new era of innovation and impact through its strategic direction, [Next Lives Here](#). Underscoring the power of creativity, ingenuity, invention and inclusion, what's Next will accelerate our unrivaled momentum, evidenced by eight straight years of record enrollment and rankings that include placement among America's top 100 public universities by *U.S. News & World Report*.

### Job Overview

The College of Medicine, Department of Psychiatry and Behavioral Neuroscience is recruiting a Psychiatrist for our growing department at the Instructor, Assistant, Associate or Professor level. The final rank and title will be commensurate with the experience and professional accomplishments of the selected applicant.

The Department is dedicated to high quality medical student and resident education, excellence in patient care and advancing the science in psychiatry and behavioral neurosciences through clinical trials and ongoing collaborative research. Our Department supports clinical care and career development in multiple disciplines, including general psychiatry, addiction psychiatry, forensic psychiatry, consultation-liaison psychiatry, geriatric psychiatry, and neuromodulation including electroconvulsive therapy and transcranial magnetic stimulation.

For additional information, visit <https://med.uc.edu/depart/psychiatry> or contact Dr. Melissa P. DelBello, Chair, Department of Psychiatry and Behavioral Neurosciences, University of Cincinnati, 260 Stetson Street, Suite 3200, Cincinnati, OH 45219 or via email to [delbelmp@ucmail.uc.edu](mailto:delbelmp@ucmail.uc.edu).

### Essential Functions

Responsibilities may include direct patient care; teaching of medical students, residents and fellows; and research at various UC Health facilities, hospitals and other local health care systems. Additional opportunities for career development include administrative and leadership roles, participation in quality improvement, peer supervision, and formal mentorship.

### Required Education

MD/DO

### Required Trainings/Certifications

- Ohio Medical License
- Board certified/board eligible as a Psychiatrist with demonstrated experience or interest in providing patient care and medical education.

**The University of Cincinnati is an Affirmative Action / Equal Opportunity Employer / Minority / Female / Disability / Veteran.**
