

Psychiatry Research Institute at Montefiore and Einstein Early Career Physician Scientist Research Fellowships 2022-2023

The Department of Psychiatry and Behavioral Sciences at Montefiore Medical Center and Albert Einstein College of Medicine is pleased to invite applications for the **Early Career Physician Scientist Research Fellowship** at the **Psychiatry Research Institute at Montefiore and Einstein (PRIME)** for Clinical and Translational Studies.

Drawing upon the exceptional basic science and clinical resources on campus together with partnerships with diverse communities of the Bronx, Manhattan, and Westchester post-doctoral fellows at PRIME have an opportunity to engage in mentored clinical and translational research within a unique and expanding Institute committed to far-ranging, interdisciplinary psychiatry research.

Research activities in PRIME include: a) basic and translational studies in collaboration with the Dominick P. Purpura Department of Neuroscience; b) human studies related to mood and anxiety disorders, substance use disorders, psychotic disorders, autism and obsessive compulsive spectrum disorders, and suicide; and c) research on health disparities and multicultural mental health in PRIME's Center for Health Equity.

Eligible candidates must have an MD (or DO) or MD PhD degree at a PGY-4 level or higher at the time of application and must be eligible for physician licensure in New York State. Candidates should be no more than 3 years from graduation from an accredited residency training program.

Applications should be sent as a single PDF including a) cover letter, not to exceed two pages, describing research interests and goals and any past or current research experience and committed or pending external funding; b) Current Curriculum Vitae; c) two letters of recommendation from referees who can comment on research accomplishments or potential.

Please send applications to **Vilma Gabbay MD MS, Director of Research**, Department of Psychiatry and Behavioral Sciences, Montefiore Medical Center and Albert Einstein College of Medicine [**vilma.gabbay@einsteinmed.org**](mailto:vilma.gabbay@einsteinmed.org)

Albert Einstein College of Medicine and Montefiore Medical Center are equal opportunity employers committed to hiring minorities, women, individuals with disabilities and veterans.
