

**Subject Line: UMass Inpatient Unit Director and Research**

**Up to half-time research available for interested candidates!**

The **UMass Memorial** Health Care Department of Psychiatry is the largest provider of psychiatric services in central Massachusetts with over 400 faculty members who work in a variety of settings within UMass Memorial Health Care, the University of Massachusetts Medical School, and the public sector. We integrate our clinical, research, teaching and community partnership activities to help individuals and families transform their lives through recovery from mental illness and addiction.

We seek a BE/BC psychiatrist to lead one of our University inpatient units. Our inpatient units are flagship teaching programs of the department. They provide acute clinical care to patients challenged by significant mental illness and have or will need intense community support following discharge.

- The **Unit Director** will provide psychiatric and medical supervision as well as clinical care for our inpatient psychiatry unit located on the University Campus.
- Candidates with interest in an all-clinical role or a half-time research role are encouraged to apply!

At UMass Memorial Health you will enjoy:

- Appointment commensurate with experience and qualifications
- Teaching opportunities: we have 27 residents and fellows as well as 16 trainees and medical students
- A deep bench of experts across the field
- **A generous benefits package, productivity incentives, and signing bonus**

We are excited to connect with you to discuss joining our great team!

\*J1 Waiver and H1B visa candidates will be considered.

*Diversity, equity and inclusion are integral to the commitment of the Department and University. Accordingly, the Department encourages applications from qualified diverse candidates.*
