

# 62nd ANNUAL MEETING OF THE AMERICAN COLLEGE OF NEUROPSYCHOPHARMACOLOGY

# Travel Award Program

December 3-6, 2023  
Tampa, Florida

The American College of Neuropsychopharmacology (ACNP) annually selects distinguished young scientists in the field of neuropsychopharmacology to be part of our Travel Award program. These awards offer an opportunity to attend an outstanding scientific program in clinical and basic research on brain-behavior-drug interactions; become aware of the most recent, and often unpublished, advances in psychopharmacology; and meet and interact with internationally distinguished researchers and scientists.

*Candidates from underrepresented populations in science and medicine are highly encouraged to apply. An underrepresented minority candidate is defined as African American, Hispanic, Native American and U.S. Pacific Islander.*

## TRAVEL AWARD BENEFITS

- An ACNP member mentor for the annual meeting
- Waived annual meeting registration for award recipient and accompanying spouse or significant other
- Up to five nights lodging at ACNP headquarters hotel in Tampa, Florida
- Round trip coach airfare to and from the annual meeting
- \$100 ground transportation stipend
- A daily stipend of \$50 for meals for up to six days
- Onsite childcare stipend of \$80 per day, per child for up to six days
- An invitation to attend and the opportunity to present a poster at four (4) additional annual meetings with reduced registration rate

## ELIGIBILITY:

Please visit the ACNP Website at <https://acnp.org/annual-meeting/travel-awards>, for detailed information and eligibility criteria before applying.
