

## *Important College Policy Reminders*

As you are making plans to attend the hybrid 63rd Annual Meeting, we ask you to remember these important College policies:

- 1. Photos and Recording During the Annual Meeting** – Meeting attendees should not take photographs or videos of any slides, posters, or other presentations of data that are being presented. Photographing a speaker before, during, or after a session is not allowed. Unauthorized photography or recording is unfair to the presenters and will have the effect of discouraging our members from presenting their most recent unpublished work.
- 2. Organizing Small Meetings** - Please do not organize any activities that conflict with scientific sessions of the Annual Meeting. If you are invited to attend any such meetings, please inform the meeting organizer that this is in violation of ACNP policy.
- 3. Use of ACNP Name/Logo** - The ACNP name, logo, or the name of the annual meeting may not be used in association with any CME activity or outside activity without the approval of the College. To obtain permission to use the College name for such purposes, please contact the Executive Office ([acnp@acnp.org](mailto:acnp@acnp.org)) who will have your request reviewed by the appropriate committee and/or Council.
- 4. Acceptable Use of Social Media** - ACNP encourages the use of social media such as X, Facebook, Instagram, Google+ and blogging sites to engage our community in the Annual Meeting. We encourage you to post or tweet highlights about the meeting, discuss your favorite speakers, panels, and posters and offer recommendations on which panels and posters to attend.

When sharing information, we request you refrain from:

- Photographing or recording the material presented in the panel, mini-panel, study group or poster session. This is unfair to the presenter and will have the effect of discouraging our members from presenting their most recent unpublished work.
- Using social media to share detailed content of lectures, posters etc., especially when the organizer or speaker has explicitly requested that some or all of the information presented is not to be captured or shared.
- Photographing speakers before, during, or after a session.

**5. Name Badge Policy** - Everyone who attends the Annual Meeting must be registered and will need to check-in at the registration desk to receive meeting materials. People who are not registered will not be allowed into the convention center or virtual meeting platform. Accompanying Persons will not be allowed into scientific sessions. Attendees must wear name badges to be admitted into the convention center. The name badge policy will be strictly enforced.

**6. Code of Conduct** - The American College of Neuropsychopharmacology is dedicated to providing a safe and productive experience for all participants and attendees at all official ACNP events regardless of sex, race, color, national origin, religion, age, physical or mental disability, perceived disability, ancestry, marital status, sexual orientation, gender identity, or any other basis protected by federal or pertinent state laws. ACNP does not tolerate discrimination or any form of prohibited harassment and is committed to enforcing this Code of Conduct (the “Code”) at its Annual Meeting or at any other ACNP event.
